Claudiu Vasile

IT Manager S.C. Global Brother S.R.L. · Full-time
Bucharest, Bucharest, Romania

Summary

Over 16 solid years in IT support on different OS systems and different IT application, implementation two core banking(Branch Power and Flexcube) and two great applications SAP and Siveco Applications . I'm a team player and sociable person , good communication skill. My objectives are the optimization of the work in my group with more personal involvement in various projects and a personal growth of my skills on UNIX and Windows.

Now, after two year on web developer experience I can make any web full(from start to end) modern application in HTML,PHP,jQuery, ajax API and Javascript on any database server Oracle or MySQL, also developer of Microsoft Excel VBA and APEX Oracle. I have experience work with git and framework like bootstrap, codeigniter, yii, symphony, zend, laravel . I would like to continue with PHP in a big company.
